b. Academic All State: forms and requirements on-line

c. SDCCA Competition

Brittney Eide and Cindy Kopecky will co-chair this event again this year. The date is Saturday Nov. 6 in Brandon Valley. They agreed to do this one more year and then we need to make a decision on its future. This event is our main fundraiser, it has sanctioned and non-sanctioned divisions, volunteers will be needed to continue with this fundraiser.

d. All Stars

Tammy Huebner will be the coach for 2011. The All Star team consists of both sideline and competitive cheerleaders. Coaches must recommend their senior cheerleaders, we only had 11 girls for the 2010 All Stars, we need more. Application forms and information letter is on the SDCCA webpage.

4. SDCCA Webpage

a. Webmaster

Our webpage is a main source of information to our cheer coaches. We need to ensure that all board members are getting information to the webmaster. Diane Gilbertz would like to continue her work as the webmaster, we will need to work together with her to make sure that the webpage is up to date, and has all the information that an incoming coach would need to successfully begin her season.

b. Executive Secretary

Discussion was held about our association offering an Executive Secretary position, it was left that all members would contact a board member with suggestions and ideas. The current board would meet and discuss the advantages of this position, and what we need to do to help get more information to our association members and our coaches throughout the state.
